I Read the extract given below and answer the questions that follow.

"I said that is the reason I wanted to win the championship so badly."

Q Who said this to whom?

Ans Susmita said this to Mukesh Hansda

Q What reason was Susmita referring to?

Ans Joining the Hansda Archery Academy was the reason Susmita had wanted to win the championship.

Q Why was she offered the scholarship despite not winning a gold medal?

Ans Mr. Mukesh Hansda offered the scholarship

into the academy because he proved to him that she could win a medal even with an injured arm.

VI Answer the following

1. How did Susmita injure her right arm?

Ans. Susmita injured her right arm three days before the Archery Championship when she stood for her friend against a class bully.

2. Why was the crowd stunned?

Ans. Everyone in the crowd knew that Susmita was a right-handed archer, but she was injured. The rival supporters had hoped that she would pull out of the competition. Instead Susmita managed to score so well and hence the crowd was shocked.

3 Why couldn't Susmita score well in the third round?

Ans When Susmita drew back the string her injured arm jerked involuntarily under the strain and the arrow flew off ^{away} before she could pull the string ^{all the} way back. This led to the arrow hitting the black ring on the target and bringing down the score.
